

Version 1

- item 1
- item 2

The diagram shows two overlapping rectangular boxes representing files. The top box is labeled 'todo.txt' and contains a list with two items, both in red. The bottom box is labeled 'fileA.doc' and contains the words 'Title' and 'content', both in red. Both boxes have a green triangular corner in the top right.

fileA.doc

Version 2

- item 1
- item 2
- item 3

The diagram shows three overlapping rectangular boxes representing files. The top box is labeled 'todo.txt' and contains a list with three items; the first two are black and the third is red. The middle box is labeled 'fileA.doc' and contains the words 'Title' and 'content' in black. The bottom box is labeled 'fileB.csv' and contains two lines of text: 'ID, Num' in black, followed by '1, 10' in red and '2, 15' in red. All boxes have a green triangular corner in the top right.
